

Practice Final Examination #1

It is not quite the end of your studies in this course, but let's start getting ready for your final exam. There are 3 Practice Final Exams over the next 3 chapters. Use them to prepare yourself for the real Final Exam. Do not cheat by looking at the answers first. After all, this is just for practice. You do not turn these in. Concentrate on the questions you miss. Ask yourself not only what the correct answer is, but why you missed it. That will really prepare you.
